INFORMATION DISCLOSURE STATEMENT

Dear Sirs:

In accordance with 37 C.F.R. §1.56, the materials listed on the attached form PTO-1449
are being brought to the attention of the Examiner for consideration in connection with the
examination of the above-identified patent application. Pursuant to 37 C.F.R. 1.98(d), the
references cited are not enclosed because complete copies have been submitted in

connection with U.S. Patent Application Serial No. 09/690,338, filed October 17, 2000, of which this patent application is a divisional application. If the Examiner requires copies of any of the references, please do not hesitate to contact Applicant's attorney.

The filing of this information disclosure statement shall not be construed to be a representation that a search has been conducted, nor shall it be construed as an admission that the information cited in the statement is, or is considered to be, material to patentability as defined in 37 C.F.R. §1.56(b).

It is respectfully requested that the Examiner return a copy of the attached modified form PTO-1449 with initials or other appropriate marks indicating consideration of the cited materials.
